RECOMMENDATION:

That Council recognise the achievements of AW Edwards, the building contractors responsible for the upgrade of the Armidale Regional Airport Terminal, who have been awarded a Master Builders Association Excellence in Building Award – Extensions, Renovations and Refurbishments \$5m - \$10m 2018 for the new Terminal.

Background:

Armidale Regional Council embarked on an ambitious plan to redevelop the Armidale Regional Airport Terminal in 2016. The \$9.42 million project was largely funded under the NSW Government's Restart NSW Regional Tourism Infrastructure Fund, with \$6.55 million contributed to the terminal upgrade and the remainder from the Federal Government and Council.

AW Edwards was awarded the contract for the construction of the new terminal in 2016 and the project was delivered on time and on budget in December 2017.

Council congratulates AW Edwards on this significant achievement. The new terminal design and the quality of workmanship delivered has produced an outstanding product for the Armidale region and positioned the Armidale Regional Airport terminal as a benchmark for regional airport terminal construction.
