**f** Collected fortnightly

**W** Collected weekly

Help us Return & Earn for the whole community.

Don't have time to take your drink containers to Return & Earn reverse vending machines? You can still put glass and plastic drink containers in your Recycling crate. Council will deliver each container to Return & Earn for the refund, to help keep down the cost of waste collection services to the community.

You can place an unlimited amount of recycling crates out for collection

#### Crate without lid

- Plastic bags & film (bag the bag)
- Milk and drink containers
- Aluminium and steel cans
- Glass and plastic containers

#### Crate with lid

- Clean paper
- Cardboard
- Paper cups (with recycling symbol)

Please refer to the calendar on the reverse side for the days when your organic green waste will be collected. Organic City to Soil collections occur fortnightly and on the same day that recycle crates and household waste are collected.

## Recycling your clean plastic bags or film has never been easier

Simply gather up all your clean plastic bags and film, stuff them into one bag and tie off, then place the bag in your recycling crate and weigh down with bottles, tins or cans.
