Road safety around your child's school Your child's safety depends on you

- Drop off and pick up by car
- Make sure your children are in an appropriate child car seat that is fitted and used correctly.
- Stick to the 40km/h speed limit in a school zone as children are about.
- Look for buses pulling out – watch for flashing wig wag lights.
- Always park and turn legally around schools.
- Avoid dangerous manoeuvres such as U-turns and three-point turns.
- Always give way to pedestrians particularly when entering and leaving driveways.
- Drop your children off and pick them up on the school side of the road in your school's designated
- Drop off and pick up area. Calling out to them from across the road is dangerous – they may run to you without checking for traffic.
- It's safest for children to get out of the car on the kerb side of the road to be away from passing traffic.
- Walking together to and from school
- Plan your trip to school so you use pedestrian crossings where possible.
- Always hold your child's hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.
- Drop off and pick up your child near the school gate and avoid calling them from across the road.
- Talk with your children about Stop, Look, Listen and Think every time they cross the road.

STOP! one step back from the kerb.

LOOK! for traffic to your right left and right again.

LISTEN! for the sounds of approaching traffic.

THINK! whether it is safe to cross.

Young children can learn these safe pedestrian habits from you and continue them later on when they are old enough to travel alone.

School zone safety

Armidale Regional Council is working with the NSW Police to make school zones safer for our children.

Fact

One child pedestrian is killed every week in Australia (on average). For every one of these deaths, there are also 25 child pedestrians admitted to hospital for treatment or injuries.*

When a child is hit at an impact speed of 30km/h they have a 99% chance of survival. At 70km/h, the child's chances of survival is less than 7%*

No apologies, no excuses

When it comes to child safety, Armidale Regional Council and the NSW Police make no apologies for fining drivers who break the law around schools and school zones.

Right now Armidale Regional Council and the NSW Police are closely monitoring speeding and parking around schools throughout the Armidale area. If you are caught endangering a child by speeding in a school zone or parking illegally, you will be fined. Illegal parking in school zones puts child safety at risk.

Take care

Children are small, hard to see, behave unpredictably and their little bodies are extremely fragile. You need to take extra care when driving and parking in and around school zones, even when you think there are no children around.
