### Purpose of this certificate

A cemetery operator must provide a certificate to the holder of a perpetual interment right. Certificate approved by Cemeteries & Crematoria NSW under subsection 65(4) of the *Cemeteries and Crematoria Act 2013*.

This certificate allows for the exclusive right to have specified remains interred at a specific site and to be left undisturbed forever. This does not represent a certificate of title to land within a cemetery. The interment right may be transferred subject to the terms of the *Cemeteries & Crematoria Act 2013*. A cemetery operator can revoke a perpetual interment right if the right is not exercised within 50 years after it is granted.
